

Veefriends

Internet entrepreneur and investor Gary Vaynerchuk released his own NFT collection Veefriends in 2021 with 10,000 NFTs, which are now one of the blue chip projects - that means market leader in the NFT market.

In 2022 he launched another collection with the Veefriends two with 55,555 NFTs. He has a vision to build the next Disney.

Veefriends has also one of the largest discord channels with over 350,000 members in the NFT area. His Discord is open to everyone, even if you don't have a Veefriend.

What is the utility?

Conference tickets:

With a Veefriends NFT you get 3 years of access to Veecon - Garys own conference for the years 2022, 2023 and 2024.

Access to Gary

In addition, there are special NFTs from the collection that guarantee personal access to Gary, for example group calls, lunch, dinner or individual meetings.

airdrops

In 2022, every Veefriend holder received an NFT from the second collection, the Veefriends 2.

What value do you get?

The equivalent values fluctuate depending on supply and demand as well as the Ethereum price, since NFT prices are quoted in Ether.

The average value is as follows:

Conference tickets for 3 years worth approximately 1000 US Dollar each, for a total of 3000 US Dollar.

Airdrop for the Veefriends 2 worth about 1000 US dollars

Various merch items such as trading cards, toys and clothing.
All in all, a Veefriends has been worth around 5,000 US Dollar in additional benefits so far, plus access to the entire global Veefriends community, where there are many business opportunities.

Roadmap:

A lot is planned for the future with the more than 200 characters of the Veefriends NFTs. Details will be announced in the current year.
