

Making money in Web3 - Background

"Our world as we knew it will no longer exist!" A lot has changed since the Corona Pandemic, we have become much more digital.

Many people are afraid of the future, but each of us can seize the opportunities here and even if it is not yet fully tangible for many, Web3 is and will be a very large market

What can each one of us do now?

- find creative and new ways, to earn money."
- Open up with curiosity for new markets"
- Not to be afraid of the future – fear paralyzes"
- Don't look at negative headlines all day, focus on positive people who want to bring you forward"

To give you an idea of how big the entire Web3 is.

- Web3 is a billion dollar market with a volume of 104.3 billion US dollars
- There will be 1 billion new creators in the next 5 years
- Only 1% of companies are on Web 3
- Only 6% of the people use cryptocurrencies
- There are 84 million crypto wallets
- The daily trading volume on crypto exchanges is 100 billion US dollars per day

This means you are still early and can use the opportunities of Web3.
