

7 facts of the (future) metaverse

1. The Metaverse has no opening hours, it does not pause and it never ends.
2. Everything happens in real time, you can join or log out your avatar at any time.
3. Everyone can become part of the Metaverse and everyone has the opportunity to create and limit their own spaces.
4. There is a separate economy that trades in NFTs and cryptocurrencies.
5. There is no participation limit and the room or world can be expanded at any time.
6. The content comes from individuals, companies or groups.
7. Certain hardware is necessary to get the best user experience, but you can also join via mobile phone.
